

## North Hills Baseball Boosters Sponsorship Information

We are excited about the **2023 North Hills High School Baseball Season** and getting back on the field. Everyone involved in the program is anxious to get the season started and we would like you to share in our excitement.

As you may know, the cost to play baseball increases yearly and competition is getting stronger. Each year, our baseball boosters work hard to raise the needed funds to keep the costs per player low and give the team the needed equipment & training for them to compete against other school teams in our area. Local contributions to our program plays an integral part to the success of the North Hills Baseball program.

We would greatly appreciate any support you could offer. If you would like to sponsor us, please select a sponsorship package, and fill out the attached information or visit [www.NorthHillsBaseball.com](http://www.NorthHillsBaseball.com) and click the Sponsors link.

Please submit your information no later than February 28, 2023. Please also submit a digital banner advertisement with your submission to [nhbaseballboosters@gmail.com](mailto:nhbaseballboosters@gmail.com) to be included on our website (For Homerun and Triple Sponsorships).

Again, we appreciate your support!

Thank you,  
North Hills Baseball Boosters
